Reason for Transfer The Ordinance of the Metropolitan Human Relations Commission has been amended, some members of the City Council and the Mayor have also been changed necessitating an updated book be produced. (We are out of the old books.)

The Commission conducted a survey of the Spanish Speaking Community that was initiated after our 1976 budget was prepared. This survey will be completed in late April.

The survey report will consist of 75 pages. We are anticipating printing at least 50 copies of the report. This survey will provide reliable figures on which may be based any assessment of the needs of the Spanish Speaking Community.

Directions -- Departments requesting transfer of funds from one account to another, or for the appropriation of funds from the unexpended balance of the General Fund must fill out this form in duplicate, and send both the original and one copy to the Controller's Office. It is suggested that a third copy be made and retained by the department originating the request. The Controller's office will retain one copy of the form and send the other to the City Attorney which will be his authorization to prepare the appropriation ordinance. Please send the request for transfer of funds to the Controller as early as possible, and at least one week should be allowed for the City Attorney to prepare the appropriation ordinance and the City Clerk to enroll it for the next Council meeting.

TITLE OF ORDINANCE _____

RESOLUTION _____

DEPARTMENT REQUESTING ORDINANCE METRO. HUMAN RELATIONS COMMISSION

SYNOPSIS OF ORDINANCE RESOLUTION transferring \$926 from 121 Salaries & Wages,

Temporary to #241 Printing Other Than Office Supplies. The Ordinance of the Metro-
politan Human Relations Commission has been amended, some members of the City Council
and the Mayor have also been changed necessitating an updated book be produced.

Commission is out of old books. The Commission conducted a survey of the Spanish
Speaking Community that was initiated after our 1976 budget was prepared. This
survey will be completed in late April. The survey report will consist of 75 pages.

Anticipated printing cost for at least 50 copies of the report. This survey will
provide reliable figures on which may be based any assessment of the needs of the
Spanish Speaking Community.

EFFECT OF PASSAGE The Ordinance book must be sent to all Respondents and given to
complainants as it tells them the law. The Spanish Survey will provide data for programs
and proposals for city departments and community groups.

EFFECT OF NON-PASSAGE Our ability to educate the public as to our law will be hampered,
and there will be more staff time spent explaining our ordinance and powers that could
better be spent on case work. The Spanish Community has long been neglected in Fort Wayne
and this will further impede them.
